21st World Congress of Accountants 2022

Building Trust Enabling Sustainability

18th to 21st November, 2022
Jio World Convention Centre, Mumbai, India

Hosted by:

The Institute of Chartered Accountants of India
(Setup by an Act of Parliament)

In Partnership With
IFAC (International Federation of Accountants)
The World Congress of Accountants was first held more than 118 years ago, at the dawn of the 20th century. In 1904, the world was changing. Henry Ford set a land speed record, the USA took control of the Panama Canal. UK and France signed the Entente Cordiale and Australia elected its first national government.

From that first event, subsequent conferences have been woven between major global events including the Great Depression and two World Wars. Today the World Congress of Accountants is a large-scale, international event which occurs, like The Olympic Games, every four years.

With the 21st Anniversary Conference due to be held in India in November 2022, we take a look back on the accounting event’s history.
CA. (Dr.) Debashis Mitra
President, ICAI

On behalf of the host institution, the Institute of Chartered Accountants of India (ICAI), I cordially invite you all to attend the 21st World Congress of Accountants from November 18-21, 2022, in the financial capital of India—Mumbai, which is the commercial capital of India, 30th most visited location worldwide and is one of the most preferred tourist destinations in India.

World congress is most prestigious event of the accountancy world happening for the first time in South Asia in over 100 years. History of the Congress Happening in the year 2022 when India is celebrating 75 years of its Independence as Azadi ka Amrit Mahotsav, this Congress will add grandeur of the overall celebrations. We all have learnt to live with the new normal, amidst the ongoing pandemic situation. We are happy to present the 21st World Congress of Accountants in hybrid mode for the first time in the Congress’s history to provide opportunities to everyone to be part of this exclusive event.

While we are fully prepared to welcome you all to the mystic world of India’s rich culture and heritage, we are also working to create a never before seen and one of a kind experience for all of our delegates, whether they wish to attend physically or virtually while considering the different time zones.

The Congress’s program on the theme “Building Trust: Enabling Sustainability” has been developed keeping in mind the continuous engagement and role of accountancy profession in building trust to support communities, businesses, and to build sustainable, resilient economies that we need for the future. Thereby, the focus of the Congress shall dwell upon professional enrichment in contemporary and emerging areas.

The hospitality of India has been recognized and praised across the globe. The Indian philosophy of treating the guests with reverence holds true even today, and we are committed to provide a unique and memorable experience in a country which is a land of unity in diversity with amazingly vibrant amalgamation of cultures.

As you will find yourself engaged and immersed in the technically well-knitted program, please do remember that you are in the Country of 40 UNESCO World Heritage sites, beautiful landscapes, and architecture.

Welcome to India!
CA. Aniket Sunil Talati
Vice-President, ICAI

Namaste

In the current competitive and volatile business environment, profession demands that we build and maintain trust between the organization, its stakeholders, and the society. The profession of accountancy has been the synonym of trust for centuries together and the recent crisis inflicted upon by the pandemic has raised global awareness towards Sustainable Value Creation (SVC). The professional relevance for sustainability has been advocated by the need for enhanced corporate reporting which can evolve and expand to deliver the right information to shareholders, regulators, and the public. The accountancy profession is recognized as an important driver for strong and sustainable economies and financial markets as accountants are the conscience keepers of society.

While the world economy has witnessed the advent of digital revolution and is trying to assimilate and embrace the changes, there has been a steady increase in the adoption of Fintech, specifically in India. With the average age of startup founders at a mere 28 years, the country is home to many of the youngest entrepreneurs in the world and has now emerged as a global innovation hub with the world’s third-largest startup ecosystem. As per the forecast by World Bank, India is poised to be one of the fastest growing emerging markets in the world.

The rich heritage of India which is one of the world’s oldest civilizations, is a confluence of religions, traditions and customs and is signified by its art, architecture, classical dances, music, flora and fauna and picturesque landscapes.

We, at ICAI are pleased to host you here in Mumbai, the financial capital of India for the 21st World Congress of Accountants with the theme “Building Trust Enabling Sustainability” from November 18-21, 2022, and give you a professionally enriching and personally rejuvenating experience.

We are hopeful that the conference shall be stimulating and productive and your stay in India will be a memorable experience.

Once again, we invite you for this enthralling convergence in India- The land of multicultural, historical, and spiritual inheritance since centuries.
Message of the President, IFAC

Alan Johnson
President, International Federation of Accountants

The World Congress of Accountants (WCOA) is the premier event for the accountancy profession. Since 1904 it has been a forum for thought leadership and a global exchange of views. It is an important point of connection for our professional from across the world together with our many stakeholders.

Excitement is building for the 21st WCOA in Mumbai, the first to be held in South Asia. All participants look forward to engaging with the profession’s global agenda and to learning from ICAI’s experience, since its foundation in 1949, in building the Indian accountancy profession and as a partner contributing to the development of the Indian economy and society.

ICAI has provided 73 years of remarkable service to the profession and the public interest. In 2020 no organization was quicker to digitalize its offerings than ICAI, and at that moment of great uncertainty, ICAI made its wealth of resources freely available online for accountants everywhere. This is the spirit and embodiment of service to the public interest, and a great credit to India as an important leader in the accountancy profession.

The global agenda for the profession is full of promising opportunities and weighty challenges. The time is now for collaboration – with speed – to respond to these developments and to anticipate issues on the horizon.

There is no better time than now, and no better place than India, to have these conversations.

In the year India celebrates its 75th anniversary, and as it takes over the Presidency of the G20, we look forward to welcoming you to Mumbai in November.

भारत में आपका स्वागत है
Message of the Chairman, WCOA 2022
Executive Committee

CA. Prafulla P. Chhajed
Chairman, WCOA 2022 Executive Committee

On behalf of the WCOA 2022 Executive Committee, I would like to invite you to the “Olympics of Accountancy Profession”, the 21st World Congress of Accountants 2022 on the theme “Building Trust Enabling Sustainability” from November 18-21, 2022 at Jio World Convention Centre in Mumbai, India.

The Congress which attracts who’s who of the accounting profession shall give you a unique opportunity to listen to visionaries and leaders from around the world debating on current issues and trends concerning the profession.

ICAI is honoured to be the host for this mega event having conglomeration of professional accountants, regulators, leaders and visionaries all contributing to the cause of the profession.

We are fully geared up to provide the delegates with exquisite experience viz a viz the quality of the program as well as your stay in India. ICAI is also working closely with the Ministry of External Affairs, Government of India for timely issuance of visas to the delegates to give them a hassle-free experience here in India.

It is also a happy coincidence that the year 2022 is the 75th year of India’s Independence and the Government of India is celebrating the year in a big way to showcase the glorious history of India. WCOA 2022 would also be celebrated as a mega event to showcase the important role that the accountancy profession has been playing in the economic and social development of the country.

We look forward to welcoming you in great numbers in India and together we will make it a great knowledge enriching experience in the marvels of the ‘Incredible India’.

See you in Mumbai!

INCREIBLE INDIA  “Find the Incredible You”

About India

India is one of the oldest civilizations in the world with a kaleidoscopic variety and rich cultural heritage. It covers an area of 32, 87,263 sq km, extending from the snow-covered Himalayan heights to the tropical rain forests of the south. As the 7th largest country in the world, India stands apart from the rest of Asia, marked off as it is by mountains and the sea, which give the country a distinct geographical entity. Bounded by the Great Himalayas in the north, it stretches southwards and at the Tropic of Cancer, tapers off into the Indian Ocean between the Bay of Bengal on the east and the Arabian Sea on the west. As you travel India offers a range of vast tourism choices, diverse in land and nature, people, tribes, cuisine, faiths, dance forms, music, arts, crafts, adventure, sport, spirituality, history, even these vary as you journey from one state to another. From world-class airports and hotels, luxurious shopping malls, restaurants, pubs and cafes to overcrowded streets and alleyways, in the same cities, filled with thousands of little shops offering every possible modern and ethnic product and native street food is a fascinating experience.
